Assistant Professor of Marketing, 2001- 2004, Erasmus University Rotterdam.
Marie Curie Post Doctoral Fellow, 2002-2004, European Union.
ERIM Post Doctoral Fellow, 2001-2002.
Visiting Scholar, 1999-2001, University of Southern California.
Doctoral Fellow, 1998-2001, Intercollegiate Center for Management Science, Belgium.
Lecturer, 1996-1998, University of Gent, Belgium.

Research interests

Innovation. Pharmaceutical Marketing. Marketing of High Technology. Marketing Strategy.
Marketing Response Models. New Product Growth Forecasting.

Teaching interests

Innovation. Marketing Strategy. Technology Marketing. Marketing of Life Sciences. New Product Models. International Marketing.

Taught at all levels: Bachelor and Master in Economics, Bachelor in Business, MBA, EMBA, Global MBA, open programs (PLD, PMD), custom programs, PhD, in-company programs.

GRANTS AND AWARDS

Approximately €6,500,000 (since 1998).

Salary grants (fellowships)

Served as chief scientist on 8 Approved EU Marie Curie Grants (Yuri Peers, Zhiying Jiang, Hyoryung Nam, Gui Liberali, Aurelie Lemmens, Sarah Gelper, Isabel Verniers, Vijay Hariharan), 2005-present.

Marie Curie Individual Fellowship, *European Union*, 2002-2004.

ERIM Post Doctoral Fellowship, *Erasmus University Rotterdam*, 2001-2002.

ICM Fellowship, *Intercollegiate Center for Management Science (Belgium)*, 1998-2001.

Research grants

Erasmus University Grant for research on disruptive innovation, 2018.

Erasmus University Grant for research on sustainable development goals, 2018.

ERIM Research Grant for research on pharmaceutical marketing, 2018.

ERIM Research Grant for research on automotive innovation and marketing, 2018.

MSI Research Grant for research on innovation selection, 2017.

ERIM Research Grant for research on innovation selection, 2017.

ERIM Research Grant for research on pharmaceutical marketing, 2017.

ERIM Research Grant for research on automotive innovation and marketing, 2016.

ERIM Research Grant for research on grassroots innovation, 2016.

ERIM Research Grant for research on automotive innovation and marketing, 2015.

Erasmus EU Horizon 2020 Support Grants for marketing and innovation, 2014 (awarded by the University President).

Erasmus Research Excellence Grant for marketing and innovation, 2012 (top 5 research program across all schools at Erasmus University, only program selected from Business and Economics; first edition of this program).

Erasmus Holding research grant for research on marketing of innovations, 2012-2013.

Erasmus Accounting and Controlling grant for research on controlling of marketing spending, 2012.

ERIM research grant for research on innovation, 2012.

ERIM research grant for research on product category formation, 2011.

Erasmus University grant for research on marketing of innovations, 2011.

KNAW grant for international travel, 2010.

KNAW grant for international travel, 2009.

Marketing Science Institute (MSI) research grant for international research on patient-physician relationships, 2008.

ECHEB research grant for international research on patient-physician relationships, 2008.

KNAW grant for international travel, 2008.

ERIM research grant for international research on patient-physician relationships, 2008.

KNAW grant for international travel, 2007.

ERIM research grant for research on citations, 2007.

KNAW grant for international travel related to diffusion research, 2006.

ERIM research grant for research on life sciences marketing, 2006.

Emory University Research Council Research grant for research on Technology Evolution and Diffusion of Pharmaceuticals, 2006

Marketing Science Institute (MSI) Research grant for research on Technology Evolution and Diffusion of Pharmaceuticals, 2006.

ESE Grant for research on health business economics, 2005.

Belgian government (minister of economics: F. Moerman) Research grant for research on innovation and entrepreneurship, 2004.

Flemish government (minister of economics: P. Ceysens) Research grant for research on innovation and entrepreneurship, 2004.

Walloon government (minister of economics: S. Kubla) Research grant for research on innovation and entrepreneurship, 2002.

Flemish government (minister of economics: J. Gabriels) Research grant for research on innovation and entrepreneurship, 2002.

Marketing Science Institute (MSI) Research grant for research on International Takeoff of New Products, 2002.

Marketing Science Institute (MSI) Research grant for research on Modeling Indirect Network Effects, 2001.

CIBEAR (University of Southern California) International Visitor Grant for research on New Product Takeoff, 2001.

Institute for the Study of Business Markets (ISBM) Research Grant for research on networking, 2001.

ERIM Research Grant for research on diffusion, 2001.

Marketing Science Institute (MSI) Research grant for research on mass customization, 2000.

Institute for the Study of Business Markets (ISBM) Research grant for research on embeddedness, 2000.

Center for Economics of Increasing Returns (Nyenrode University, the Netherlands) Research grant for research on indirect network externalities, 2000.

Center for Economic Research (Tilburg University, The Netherlands) Grant for research on mass customization, 2000.

Center for Economics of Increasing Returns (Nyenrode University, the Netherlands) Research grant for research on embeddedness, 1999.

Center for Economic Research (Tilburg University, The Netherlands) Grant for research on bundling high tech, 1999.

Intercollegiate Center for Management Science (Belgium) Salary grant for research on bundling, 1998.

Research awards and honors: External

MOA Scientist of the Year Award, 2020 (highest honor given by the Marketing Research community in the Netherlands).

EMAC Distinguished Scholar Award, 2020 (This annual award is designed to be the highest honor that a marketing educator who has had extensive connections with EMAC can receive, according to outstanding scholarship and outstanding contributions to the European Marketing Academy).

Appointed as **EMAC Fellow**, 2018 (The European Marketing Academy appoints maximum 20 Fellows, based on scholarly leadership and service to EMAC, which become Honorary Fellows upon retirement; EMAC defines the role of Fellows as advisors to senior leadership of EMAC and to enhance the standing of EMAC to the external world).

Finalist **Jan-Benedict Steenkamp Long Term Impact Award**, 2018 (Understanding and Managing International Growth of New Products with G. Tellis, 2004).

Finalist **Jan-Benedict Steenkamp Long Term Impact Award**, 2017 (Understanding and Managing International Growth of New Products with G. Tellis, 2004).

Finalist **Jan-Benedict Steenkamp Long Term Impact Award**, 2016 (Understanding and Managing International Growth of New Products with G. Tellis, 2004).

Finalist **Jan-Benedict Steenkamp Long Term Impact Award**, 2015 (Understanding and Managing International Growth of New Products with G. Tellis, 2004).

IJRM Best Paper Award, 2015 for "From academic research to marketing practice: Exploring the marketing science value chain" (John H. Roberts, Ujwal Kayande, Stefan Stremersch) 31(2), IJRM, 2014.

International Francqui Chair at University of Ghent, 2015 (every year the Francqui foundation funds 2-3 international scholars for an honorary chair at a Belgian university; chairs are chosen across all sciences and proposed to the Francqui Foundation by the Board of a Belgian university).

IJRM Best Paper Award, 2013 (Dynamic Segmentation paper with Aurélie Lemmens and Christophe Croux in IJRM 2012).

Finalist **Marketing Science Long Term Impact Award**, 2014 (Diffusion Meta-Analysis paper with C. Van den Bulte, 2004).

Finalist **Jan-Benedict Steenkamp Long Term Impact Award**, 2014 (Understanding and Managing International Growth of New Products with G. Tellis, 2004).

Finalist **Marketing Science Long Term Impact Award**, 2013 (Diffusion Meta-Analysis paper with C. Van den Bulte, 2004).

Finalist **Marketing Science Long Term Impact Award**, 2010 (International Takeoff paper with G. Tellis and E. Yin, 2003).

Finalist **Marketing Science Long Term Impact Award**, 2009 (International Takeoff paper with G. Tellis and E. Yin, 2003).

Rajan Varadarajan Award, AMA Early Career Award for contributions to marketing strategy, 2008.

Winner **AMA Global Marketing Award**, 2006.

Appointment as member of the **Young Academy of the Royal Dutch Academy for the Sciences** (De Jonge Akademie - KNAW) (each year 10 members are appointed across all disciplines and universities for a term of 5 years; first business economics professor ever appointed), 2005.

The Johannes Cornelis **Ruigrok Award**, 2005 (best early research career (<5 years after dissertation) in the social sciences in the Netherlands, awarded only every 4 years to an economist).

Invitation to the **MSI Young Scholars Program**, 2005.

Finalist **AMA TechSIG Best Paper Award**, 2005.

Finalist **AMA TechSIG Best Paper Award**, 2004

Winner of the **MSI/IJRM research competition on global marketing**, 2003.

Harold H. Maynard Award for most significant contribution to marketing thought, *Journal of Marketing best paper award* for 2002.

AMA-Sheth doctoral consortium fellow, *University of Western Ontario*, 2000.

Research awards and honors: Internal

ERIM (Erasmus Research Institute of Management) **Top Article Award**, 2015 (best article published in research in management by one of the 120 members of ERIM; selection committee of scientific directors of 3 Dutch research institutes outside Erasmus)

Top Senior Researcher Award (Erasmus School of Economics), 2013, 2012, 2011, 2010, 2009, 2008, 2007, 2006. (discontinued in 2014)

ERIM (Erasmus Research Institute of Management) **Top Article Award**, 2010 (best article published in research in management by one of the 120 members of ERIM; selection committee of scientific directors of 3 Dutch research institutes outside Erasmus)

ERIM (Erasmus Research Institute of Management) **Top Article Award**, 2005 (best article published in research in management by one of the 120 members of ERIM; selection committee of scientific directors of 3 Dutch research institutes outside Erasmus)

ERIM (Erasmus Research Institute of Management) **Impact Award**, 2004. (most impactful contribution to research in management; chosen among the more than 120 members of the Institute)

Erasmus “2004 Research Prize”, award for highest excellence in research; one professor is chosen as a recipient among all 800 (assistant, associate and full) professors at Erasmus across all disciplines and schools, 2004.

ERIM (Erasmus Research Institute of Management) **Award for Outstanding Performance of a Young Researcher**, 2003. (chosen among the more than 120 members of the Institute)

Teaching awards

Excellence in Teaching Award (best elective in the CCMBA program), Fuqua School of Business, Duke University, 2009.

Top 10 ranked teacher across all programs (School of Economics, Erasmus University Rotterdam), 2004, 2005, 2006, 2007, 2008, 2009 (ranking discontinued in 2010).

Finalist (5 finalists) for the **best teacher award** across all programs (School of Economics, Erasmus University Rotterdam; discontinued in 2009), 2004, 2006, 2007, 2008.

Accepted doctoral consortium invitations

EMAC Doctoral Colloquium (2004, 2005, 2006, 2007, 2008, 2009).

AMA Sheth Doctoral Consortium (2006, 2007, 2008, 2009, 2010, 2011, 2012, 2019, 2023).

Academic research funded by companies

Nielsen: for research on marketing of innovations, 2011.

General Motors: for research on new media effectiveness, 2011.

Dell Computer: for research on mass customization of high tech systems, 2001.

Alcatel Telecom: for research on bundling high tech, 1999.
